

Parents,

The athletic department is proud to inform you of improvements being made around Bobcat Stadium. These improvements include a new entry gate and painting the concession stand. Many improvements have already been completed. This includes repaving the parking lot, enclosing the entire complex with a fence, and extending Main Street as a parking lot exit. Please come by and see the new improvements that have been made.

With a new exit from the parking lot, Bobcat Stadium traffic will be one way starting immediately. You will continue to use the main entrance on Pecan Street when you are dropping off or picking up your children. You will now use the exit on Main Street. This will allow you to continue on Main Street to Business 289 or turn on Arkansas Street as illustrated below.

We ask that you make two lanes of traffic during peak drop-off/pick-up times. Please stay to the right, as close to the fence as possible, when dropping off or picking up (orange line on map below). This will allow the left lane to be used for thru traffic, such as school busses (white line on map below). Our goal is to improve traffic flow through Bobcat Stadium. Please contact the Athletics Department with any questions.
