

Celina Elementary School

Celina Elementary Students,

As we enter another school year, I once again have the honor of being the Principal at a school that I love.

Celina Elementary Faculty and Staff are prepared to provide all students with strong core instruction as well as additional opportunities to participate in extra-curricular activities.

It is such an honor and privilege to serve in such an amazing school community as Celina. As the principal, I take great pride in ensuring that each of our students receive an education that empowers and provides them with the skills needed to be successful now and in the future.

I look forward to the opportunity to work and learn alongside each of you as we continue the tradition of excellence established here at Celina I.S.D.

Starla Martin, Principal
Celina Elementary
