

Dear CHS Senior Class Families,

As we all know, spring weather in Texas is highly unpredictable. Our administration has been in constant contact with weather specialists to determine the probability of hosting the outdoor commencement ceremony scheduled for Friday, May 28, 2021. At this time, the forecast calls for a mixture of rain and thunderstorms, likely scattered throughout the day, combined with strong winds.

For the safety of our students, staff, and families, the Celina High School Graduation ceremony will now take place at the Rockhill High School Arena on Friday, May 28, at the previously scheduled time of 9:00am. Knowing the strong possibility of weather delays would hamper family events already scheduled for that day and night, the decision to move the exercises to an indoor venue is in the best interests of all involved.

Although we recognize that it would be more ideal to host graduation in a CISD facility; however, doing so would limit tickets to only five per graduate. Relocating to the Rockhill High School Arena now allows us to utilize the ten tickets already handed out to students, and assures family events and Project Graduation festivities can proceed as planned.

The address for the venue is listed below. Doors will open at 8:00am. Tickets will be scanned upon entry. Handicap seating is available throughout the arena and guests will have elevator access to seating. The following link can be shared to friends and family members not able to attend graduation in person. <https://live.myvrspot.com/st?cid=Yzg2ZD>

We appreciate your understanding as we make this change proactively to celebrate this special day with our students and families.

Sincerely,

Dave Wilson
CHS Principal
