**\*\*Medication Pick-Up\*\*** Parents, if your student has medication in the nurse's clinic, please pick up the medication no later than Wednesday, May 26th. After this date all medications left in the clinic will be tossed out. I cannot send the medication home with your student.

**\*\*Incoming 7th graders\*\*** Friendly reminder to keep turning in those records for the 2 vaccinations required (Meningococcal & Tdap) before the next school year starts. If your child is exempt, please make sure the official form is turned in, which can be located at [dshs.texas.gov](https://dshs.texas.gov).

**\*\*FYI\*\*** 8th Graders will be completing a Hands-On only CPR training during classes May 17-18th.

**\*\*TIPS\*\*** A great place to download needed forms for action plans (asthma, food allergy, seizure, self-carry inhaler etc) is right on our school website at [www.celinaisd.com/departments/health-services-department/](http://www.celinaisd.com/departments/health-services-department/)

Let me just say THANK YOU for raising such great kids! My first year in Celina was awesome (minus Covid, lol). I had so much fun building relationships with the junior high kids and their amazing teachers and the whole staffing crew!! Nurse V :)
