

Here is some information which hopefully you will find helpful as you navigate the 2020-2021 athletic school year.

First day of school: All students enrolled in boy's athletics, regardless of sport, will check in at the football fieldhouse across the road from the junior high school DRESSED READY FOR SCHOOL. Enter in the main gate on the north side, drop off your student, and exit via the southwest corner of the facility. We will meet and then walk them over to the junior high at the appropriate time. They will go to their ACE classroom for instructions, after which we will have a first period class again during which they will go to the coach involved in their fall sport or offseason. There they will receive further information regarding requirements for that sport.

Football

Coaches: Troy Davis, Scott Langley, Greg Sherwood, Chris Oldham, Jake Davis, Michael Tucker, and Terry Grayson..

Workout times: The locker rooms will open at 6:10. Workout will be from 6:30-8:25. All workout apparel must be orange, white, or gray except for cleats and must wear NO shorter than crew length socks. After workout they will shower and at an appointed time, we will move them over to the junior high. If they wish to eat breakfast, they will pick it up at that time. It is ok, and encouraged, to bring something to eat from home just to ensure social distancing and disease prevention. Parents are not allowed to pick up boys at the field house and transport them over to the junior high after workout. If it is inclement weather, we will carry them over on buses. \Masks will be worn in the locker room and during movement between buildings. Unless a student rides the bus, leave athletic bags at the fieldhouse and pick up after school. Coaches will be there this year to let students in and monitor.

Off season

Coach: Landon DeMasters landondemasters@celinaisd.com

Workout times: Doors open at 7:15. Workouts will be 7:30-8:30.

Apparel: Must be orange, white, or gray.

Location: Junior High gymnasium. Enter in the north door of the gym.

Cross country

Coach: Loretta Francis lorettafrancis@celinaisd.com

Workout times: 6:30-8:00

Location: Junior High Track

As with football, students will be dismissed at a certain time to pick up breakfast but are encouraged to bring it from home if possible.

Please make sure all athletic forms are completed. Those are on the Celina ISD Athletics website. We have to have a physical on file before a student can begin workouts. It has to be on the UIL form. If an 8th grader has a physical on file and HAS NOT had a major injury or sickness they do not have to get a physical this year.

This email will be from Kyle Sheridan more than likely. I will try to get a method, or at least an email group, which lets me directly email parents. So please if you have questions or concerns email me at troydavis@celinaisd.com or call the High School 469-742-9102 ext. #2701.

We will try our best to communicate any changes to schedules or other needed information. But also realize, we are attempting to help young people mature and teach them to communicate needed information to their parents themselves.

We hope everyone has an incredible year,
BELIEVE
