

CELINA INDEPENDENT SCHOOL DISTRICT

PAVING THE WAY FOR THE FUTURE!

About Us

Celina ISD is "Home to The Bobcats," which carries much pride and tradition throughout the community. From academics to athletics and the arts, our administrators, teachers, staff and school board members are committed to providing our students with an educational model of innovation and excellence in an atmosphere where faith, family, integrity, and traditions are valued.

As an integral part of our Bobcat Family, the district has created a list of expectations for our faculty, parents, and students that will continue to build a solid foundation through transparency and open communication between all stakeholders.

Celina ISD, the Destination District, where students are challenged to create, connect, and inspire with their peers, teachers, administrators, and community members. Together, we can "Pave The Way For the Future," creating leaders for today and generations to come!
