

Resolution of the Board Regarding Hazardous Traffic Conditions

WHEREAS, Education Code 42.155(d) allows the Board of Trustees of Celina Independent School District to obtain supplemental state funding for transporting regular, otherwise ineligible students who live within two miles of their school but who would be subject to hazardous traffic conditions if they walked to school;

WHEREAS, the Texas Education Agency handbook on School Transportation Allotments requires the Board to adopt language providing the definition of hazardous traffic conditions applicable to the District and identifying the specific hazardous areas for which such funding is requested; and

WHEREAS, the Board acknowledges Education Code 42.155(d) provisions, stating that a hazardous condition exists where no walkway is provided and children must walk along or cross a freeway or expressway, an underpass, an overpass or a bridge, an uncontrolled major traffic artery, an industrial or commercial area, or another comparable condition;

NOW, THEREFORE, BE IT RESOLVED that the Board of Trustees of Celina Independent School District has determined that a hazardous condition exists because there is no walkway where students must walk along or cross: State Highway 289 (Preston Road) between John Campbell Parkway on the south and West Farm to Market Road 455 on the north.
